

A K ENTERPRISES

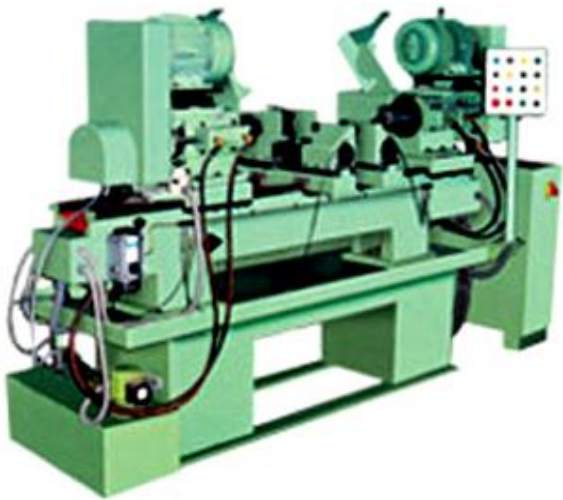

WHO WE ARE

A K ENTERPRISES is an well-established organization started in the year of 2018. we possess firm expertise in critical machined components, our product beam quality as they shaped by experienced staff and good process knowledge.

A K ENTERPRISES believe in consistent growth, collaborative approach, Team works and always upside mindset toward new opportunities combined with competitive pricing, on time service with world class quality gives us an edge to our competitor.

One of our competitiveness is, A K ENTERPRISES is in Special tools, dies and fixture manufacturing with complete solution including design and process concept, it keeps us at different level of expertise.

Employee Strength : 08

Vision

Our Vision is to become a leading provider of world-class engineering products and solutions to a global clientele.

Mission

Our Mission is to contribute to Customers revenue, profitability & sustainable competitive advantage by quality, timely delivery, cost effectiveness & most important is team safety.

Reliability, consistency, performance & safety are our key values. We see ourselves as a responsible and ethical organization.

We also strive to conserve the environment.

Quality Policy

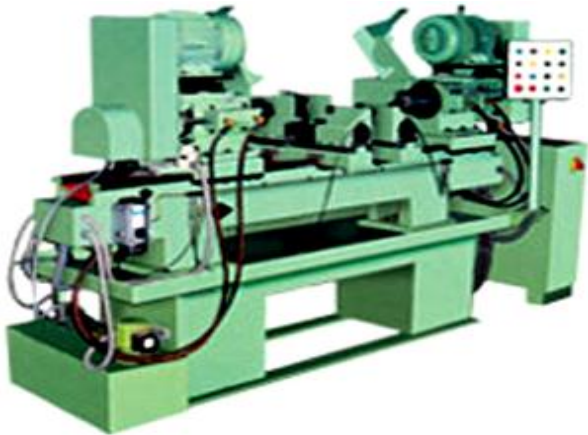

Our Policy is to strive for customer satisfaction by providing products and services as per their requirements in cost effective and timely manner.“ The policy includes a commitment to comply with customer requirements. The term "strive for.." refers to continually improve the effectiveness of the company systems. We aim to do this in a manner that provide safe and healthy workplace to our employees and minimize impact on the environment.

LIST OF MACHINES (11 NOS).

- 2 NOS JYOTI MAKE CNC TURNING CENTRE DX200 3B

- 1 NOS SPM TOOL MAKE CENTRING & FACING M/C

- 3 NOS MEDIUM DUTY LATHE MACHINES

- 1 NOS VERTICAL MACHINE CENTRE 950x450x550

- 3 NOS DRILLING M/C'S (1/2", 1" & 1 1/2")

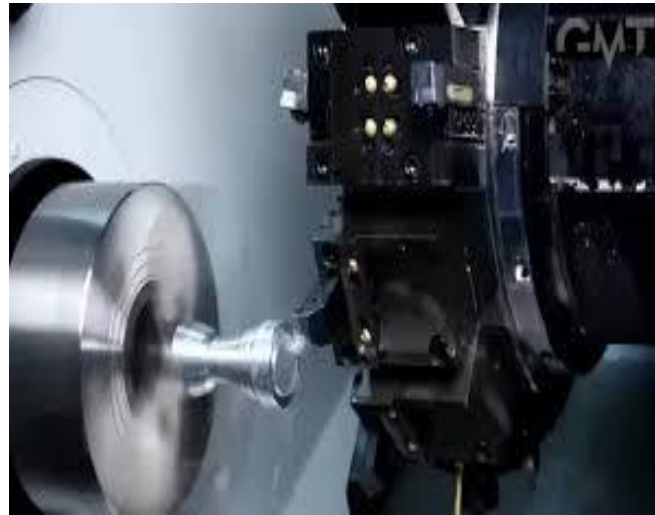

- 1 NOS METAL CUTTING MACHINES

INDUSTRY SERVICES
